

Let's Stop Waste at School Program (LSW)

Fact and Information Sheet

Are you a school administrator concerned about solid waste disposal costs? Are you an environmentally conscious teacher, parent, or student? Hamilton County R3Source wants to help your school set up a new solid waste reduction/recycling program or expand or improve your existing program.

A representative from Hamilton County R3Source can come to your school and meet with principals, teachers, students, facility managers, custodians, and/or PTAs to help you assess your school's waste stream and determine what program is right for you. Hamilton County R3Source can also assist you in designing your program to have a minimal impact on custodians; educate staff, students, and parents; and generate school pride and enthusiasm for the program.

Once you have committed to starting a program, completed the Let's Stop Waste at School Registration Form and Worksheet, Hamilton County R3Source can provide the following services:

- Staff and faculty training
- Indoor recycling containers (based on availability)
- Classroom programs (low or no cost)
- Signage
- School assemblies (low or no cost)
- Solid waste related field trips
- Waste reduction consultation and services

School Let's Stop Waste Activities

School: _____ Year: _____

Check all activities that apply to your school:

Recess is before lunch so students are hungrier at lunch and not in a hurry to go out and play.

School has "Waste-free Lunch" days.

School has a food share table (complete "Recycling Plan Worksheet").

School donates appropriate surplus food to a 501c3 charitable organization.

School has water bottle refill stations.

Cafeteria has a bulk milk dispenser.

Cafeteria is set up as "offer versus serve" so students can choose foods they prefer.

Cafeteria staff is aware that students are not required to take milk.

School does food waste audits.

Cafeteria uses reusable (*circle all that apply*): trays, silverware, plates/bowls, cups

"These Come From Trees" stickers are put on paper towel holders as a reminder to only use what's needed.

Restrooms have air dryers instead of paper towels.

School facilitates a uniform exchange program.

Staff is encouraged to save paper by reducing margin size, and printing double-sided.

Teachers are encouraged to allow students to submit assignments electronically.

There are designated areas for paper that has a blank side to be reused.

School recycles (complete "Recycling Plan Worksheet").

School composts (complete "Recycling Plan Worksheet").

Other:

Include additional pages if needed.

If you need assistance implementing any of these activities, we are here to help! Contact Cher Mohring at Cher.Mohring@Hamilton-Co.org or 513-946-7737.
